

OPENING IN 2022!

Located in Whitehall, Montana at the I-90 interchange, the Western Legacy Center will capture the rich western heritage of the past to create a legacy for future generations.

WE'RE JEFFERSON COUNTY

Welcome to the very heart of Montana. Half the state lives just hours away. Record numbers of tourist pass through daily on their way to Glacier and Yellowstone National Parks, magnificent landscapes that have literally shaped the West in harmony with people who live right here.

WE HAVE A VISION

The initial focus will celebrate Montana's cowboy, cowgirl and rodeo culture and feature other historical themes including railroads, mining, mountain men and Native American culture. Unique hands-on displays and exhibits employing state of the art virtual technology that applies to all ages will be incorporated to enhance the visitor experience.

THE WESTERN LEGACY CENTER

The center will offer a unique visitor experience that celebrates the dynamic diversity of the Treasure State. From interactive exhibits and special events to a rich array of local products for purchase, the amazing story of America's last, best place will be on full display, everyday.

FEATURING THE MONTANA PRO RODEO HALL & WALL OF FAME

The Montana Pro Rodeo Hall and Wall of Fame will help increase the visibility of the organization, share the Montana rodeo culture with visitors and promote a key part of the mission to award High School scholarships.

**Join us on an unforgettable journey from the 'Frontier to the Future'
at the Western Legacy Center!**
