- Booths must be fully set up by 9 am on the event day, Friday the 14th.
- Booths must remain set up until the morning of Monday, the 17th.
- Vendor products and wares must be in theme with the early pre-1900s era of mountain men, Native American culture or American history.
- Vendors participating in the Mainstreet Legion Park strip are expected to create an immersive, historically accurate experience. This includes booth setup, signage, and overall presentation reflecting the pre-1900s era.
